

THE DAVIDSON YELL AND TELL FOUNDATION, INC.
Saving Children's Lives

Dear Parent:

Your child has just been introduced to a new program called **"Yell and Tell."**

There are six parts to this program: **Water, Fire, Poison, Guns, Child Enticement, Bullying and Drugs/Alcohol.** Your child just completed one or more of the programs. If you would like to know more about the **"Yell and Tell"** program, please go to www.yellandtell.com

The program is aimed at the young child who sees something dangerous, feels afraid and doesn't know what to do. Many times this child will run away or be quiet because he/she doesn't want to get into trouble or be called a tattletale. Sometimes the child is too afraid to do anything. The **"Yell and Tell"** program teaches children how to take action and be a **hero**.

Another wonderful way to use this program is to have your child talk about how he or she would use Yell and Tell to help another.

There is now a free app at the app store for you to download for your child. The app has lots of games and fun activities that will help your child to learn Yell and Tell.

Thank you for helping your child to learn what to do if he/she sees something or someone in danger.

If your child or another child uses Yell and Tell to alert others of a dangerous situation, please let me know for he/she will become a Yell and Tell hero and get a Hero certificate and a Yell and Tell Hero t-shirt. Go to www.yellandtell.com or call 414-771-9191 or email me at jean@jeandavidson.com and tell me his/her story.
